Phil,

I haven't gone through Ray's binder yet but found these two maps:

1. Artificial Penetrations (wells 1 - 48)
2. Water Wells (wells 1 - 56)

I enlarged the first map so we could read it better!

The list that Bill Honker sent you has 74 wells total.

  
Artificial Penetration.jpg Artificial Penetration (Enlarge).jpg Water Well Inventory.jpg

Will continue looking for better maps...
